Webster County, NE

E1-3167

Mr. Brady:

Hello. I am writing back to inform you that the Webster County Railway Abandonment Exemption Project is outside of the U.S. Army Corps of Engineers Omaha District's Civil Works Boundaries. When letters such as your's come in that are in the state of Nebraska, but outside of the Omaha District Civil Works boundaries, our Regulatory office is the one who provides comments. If you have not done so, please send a copy of this Environmental Assessment to:

John Moeschen  
Wehrspann Field Office  
8901 South 154th Street  
Omaha, NE 68138-3635  
(402) 896-0896  
FAX (402) 896-0997

I would not suspect that this delay will affect your comment due date, however, you may wish to consider allowing them a little extra time to respond if they require it.

Thank you for your time and feel free to contact me if you have any other questions.

Regards,

Dave Crane (CENWO-PM-AE)
